Terms & conditions

The incentive is only available on current plots, available for full reservations, and on 'live' Anwyl developments currently listed on the Anwyl website. The recommendation must be documented on the completed Anwyl reservation paperwork, in the 'additional information' section. The recommend a friend form needs to be completed and handed to the sales advisor at the point of reservation. The form must be signed by all parties. The payment of £1,000 will be made to both parties, £2,000 in total, within eight weeks of legal completion of the recommended parties' new home. If legal completion fails to take place, then neither party will qualify for payment. You must be an Anwyl homeowner to be eligible for the incentive. At the time of giving the voucher, the person recommending must have already purchased and completed their own Anwyl home directly from Anwyl in order to qualify.

Anwyl Homes reserves the right to withdraw or amend the Recommend a Friend incentive at any time. This incentive began on 16th August 2023. All prior recommendations are capped at £250.
