When it comes to *new homes* we think of everything.

There's so much to consider when you're looking for a new home. From the size to the location, the build quality to the price, making the right choice really matters.

At Anwyl Homes, we know what it's like.

We should do. After all we've been building high quality new homes for decades, guiding our customers through the process and helping to unlock happy times ahead.

Whether you're looking for a cosy first property, a spacious family base or you want to downsize now the kids have moved on, there's an Anwyl home that's right for you.

By combining traditional styling and quality workmanship with the best of today's modern features - not to mention personal touches and friendly smiles every step of the way - your Anwyl experience begins the moment you get in touch. Because with every new home we build, you can be sure we're thinking of you.

Welcome to the *neighbourhood.*

Five Oaks is a charming collection of energy efficient two, three and four-bedroom homes just outside of Shrewsbury.

The development offers an enviable lifestyle for you and your family. Just 3 miles from Shrewsbury town centre, you have great motorway access, speedy commuter links and fantastic schools nearby.

Stylish Shrewsbury is famed for its history and heritage. With shops, restaurants and frequent festivals, there's always something to do. Further afield, enjoy days out in vibrant Birmingham, hike Snowdonia's peaks or explore the area's many natural beauty spots.

Built for the future

The **eco features** of your new Anwyl Home combine to give you complete **peace of mind** and ensure an efficient, comfortable living space for all.

HEATING YOUR HOME

Our homes use a combination of modern heating and hot water systems to ensure a comfortable living space. The systems are designed to provide the most effective use of energy all year round.

INSULATION

Modern full build insulation ensures a more efficient home. From slab to roof insulation every Anwyl home is designed with the best insulation in mind to ensure a more efficient home.

WATER EFFICIENCY

Our sanitary fittings use less water without compromising on the function within your home.

AIR TIGHT DESIGN

Every Anwyl Home is built to conserve heat through airtight design. This is crucial to reducing unwanted heat loss and maintaining a suitable level of natural ventilation.

PV PANELS

Photovoltaic (PV) 'solar' panels generate electricity in daylight hours. The PV panels are mounted on the roof of your home and the electricity generated by PV panels immediately disperse within your home.

EV CHARGER

Homes feature an EV charging point for electric vehicles.
