thoughtful homes

Final surfacing - roads and footpaths

Final surfacing to the roads and footpaths is now completed.

Local authority roads / footpath adoption

Highways adoptions have been completed and the site is currently on a 12 Month defect liability period, before it will be fully adopted by Denbighshire County Council. Anwyl Homes are currently working towards achieving Final Adoption of the scheme.

Waste water / pump station adoption

Drainage is currently on maintenance and it is anticipated that this will be formally adopted at the end of the maintenance period, in August 2026. Final inspections will be ongoing over the coming weeks.

Bus routes

There are no bus routes proposed through the development and the development itself does not affect any existing bus routes.

Future phases

Another phase of the development has now been submitted for Planning, which will be accessed off Maes Farrelly; however, this application is still to be determined.

Sub stations / generators

There are no sub stations on the current phase (Phase 5) of this development.

Public right of way

The public right of way (PRoW) running across the development has now been opened on the newly diverted route.

Landscape adoption

The open space areas within the development (including the play area) have now been handed over to Trust Green..

Bollards and bollard lighting

All bollard lighting is now installed on the scheme.
